Dear Mr. Morisy:

Our records indicate that you have not responded to our letter dated March 15, 2013. As indicated in our letter, based on the information provided in your request, it is unclear as to the specific records you are requesting. In accordance with Department of Justice guidance and 14 CFR § 1206.704 since you did not provide clarification, we are unable to process your request. Therefore, as stated in our letter, since we have not received a response from you within the 20 days from the date of that letter, we assume you are no longer interested in this matter and have closed the file on your request.

You may submit a FOIA request for the same information, however please be advised that you must provide the information we requested, i.e., specific document requests, contract numbers, etc. that will allow us to conduct a non-random, reasonable search for responsive records.

Please contact me at hq-foia@nasa.gov or (202) 358-2034 for further assistance.

Sincerely,
